We would like to take this opportunity to thank you for your custom and wish you a very Happy Christmas.

Don't forget to collect your courtesy copy of the 2016 Morgan Evans calendar (available at all offices while stocks last)

Lots - Due to the age of the items, Lots are sold on an “as-is” basis, subject to faults, imperfections and errors of descriptions. Photographs are provided of Lots for identification purposes only – photographs may not produce a true reflection of the colour or high-light any imperfections. You are advised to examine any lot prior to bidding. Electrical Lots may not comply to current statutory requirements and are offered for sale as “display purposes” only.

Condition Reports – are provided at a bidder's request. This forms part of the service offered on behalf of the Vendor of the Lots by Morgan Evans & Co Ltd. In providing a Condition Report we assume no responsibility to you for any error or mis-statement or omission from the description of a Lot contained in a Condition Report.

Bidding – All persons wishing to participate in a Morgan Evans & Co Ltd auction should be registered with us before bidding. There are three ways for you to bid. In person, by leaving a commission bid or by telephone. Bids are made at your own risk and we cannot accept liability for our failure to receive and/or place bids.

In Person – you need to register on the day of the sale and collect a bidder number. This number is issued for one sale only and cannot be used at any future auctions, please return the bidding number to the office/cash desk when you leave the Saleroom.

Commission Bid/Absentee Bidding – Forms are available to download from www.morganevans.com website or can be collected from the Saleroom. Forms can be scanned and emailed to saleroom@morganevans.com. It is in your interest to return your absentee bidding form to us as soon as possible – if bidders submit identical bids the earliest bid will take precedence. It is your responsibility to confirm that your bidding form has been received at our office.

Telephone Bidding – only offered on items over £200. Complete and return a telephone bidding form, being sure to have checked the Lot numbers you wish to bid on. On receipt of a completed form a member of staff will telephone the primary telephone number provided on the form and will talk you through the procedure and place any bids you require on the specific Lots. Please note that the telephone bidding service is not available on all Lots.

Live Bid – for some auctions we offer a “Live Bid” facility where you can bid from the comfort of your home. This facility is available by registering on www.the-saleroom.com

Artist's Resale Rights – denoted by (AR) in the catalogue. An additional 4% is payable by the purchaser for any artworks over £1000. This applies for artwork by living artists and those who have died within the past 70 years (an artist who is national of the European Economic Area or qualifying country).

If your bid is successful you will pay the amount of the winning bid plus a Buyer's Premium of 16% If you are the successful bidder using the “live bid” on-line facility there is an additional charge of 3%. The 3% Live Bid charge and the Buyer's Premium attracts VAT at the present rate.

Payment – is due on the day of the sale and can be made by cash, cheque or by debit card. Payment can also be made by bank transfer on request. **Please Note:** we do not accept card payments over the telephone for amounts in excess of £500. There is a 2% surcharge if payment is made using a credit card (we do not accept American Express card payments).

Morgan Evans & Co Ltd do not offer a storage facility, however we can provide you with details of local companies who offer collection and storage facilities. Postage and Packing is available upon request.
